

General information and conditions

- The event will host 3,500 scouts from around the world for 12 days of scout activities, cultural exchange and communal camping experiences.

Pre-registration and final registration

- **Pre-registration** closes on **September 1, 2025**. Early registration increases the likelihood of securing a spot for your group.
- **Final registration** will take place in **January 2026**. At this time, you will be required to submit a non-refundable deposit of €40 per person for the estimated number of youth participants and leaders.
- **Final participant numbers:** In **January 2027**, you must confirm the final number of youth participants and leaders. This number should not vary by more than **10%** from your initial pre-registration estimate. The remaining balance of the camp price must be paid by **March 1, 2027**.

Participant quotas and waiting list

- To maintain a balanced representation of countries, there is a maximum number of participants per country. Registrations will be processed on a first-come, first-served basis. Once the maximum for a country is reached, your group will be placed on a waiting list.
- In **September 2025**, you will be notified if your pre-registration is accepted, or your group is placed on the waiting list. If additional spots become available due to cancellations, we will automatically offer these to groups on the waiting list.
